

# 2017 CPHAZ Symposium

## Parking

- If you have purchased a parking permit online, the closest parking lots are P10/12 and P5
- If you plan to pay at a meter or an attendant, P31 and P8 are the best options

## Rozanski Hall

Rozanski Hall (building 142) is in the centre of campus, next to the Bullring (behind MacKinnon), and across from the Richards Building along Reynolds Walk, just a short distance from the University Centre and Branion Plaza. The location is starred in the above picture.
